## *The Gurus, The Young Man, and Elder Paisios*

This powerful memoir tells the story of a Greek youth who, out of a desire to know the truth empirically, began to experiment in yoga, hypnotism, and various occult techniques. Eventually drawn back to the Faith of his forefathers Orthodox Christianity he visited the ancient monastic republic of Mount Athos in his native Greece, where he was brought to a knowledge of the Truth of Jesus Christ by the saintly Elder Paisios (1924-1994). Nevertheless, believing he had only found part of the truth on the Holy Mountain, he chose to give the same opportunity to Hindu yogis that he had given to Elder Paisios and other Orthodox monks. Thus, at the age of twenty-five, he embarked on a trip to India, where he undertook his search in the ashrams of three famous gurus, one of whom was worshipped as a god. His experiences in India, along with his subsequent encounters with Elder Paisios on Mount Athos, are recounted in the present book in vivid detail.

Little Arsenios was born almost a century ago in today's Turkey, in a large family. Inspired by the example of Saint Arsenios the Cappadocian, his mentor, and gifted by God with a bright mind and a lot of faith, Arsenios was loved by everyone for his benevolence. He helped anyone who was in need and he taught poor children about the Orthodox faith. Ever since his childhood, Arsenios wanted to become a monk. But this dream was fulfilled many years later in the

Holy Mount Athos where he received the name Paisios. There he became a great ascetic and he received from God the gift of taming wild animals. He gave sweets to the children who came to his cell and advised them to do good deeds, and they repaid him with their love and gratitude.
