*703-847-9493*

Each year Philoptochos asks you to join us in supporting selected Christmas charities. This year we acknowledge our blessings of abundance by choosing charities that focus on feeding the hungry: the [Capital Area Food Bank](#), which provides access to food in the DC metro area, and [Care](#), which combats hunger and malnutrition around the world.

*Please make checks payable: **The Philoptochos Society**  
Be sure to designate which charity you are donating to on the check's memo line  
and you may also donate through **Faith Direct***
