Each year Saint Sophia Stewards are expected to carefully review their personal circumstances and make a commitment of time, talent, and treasure to support our Parish and her Ministries. Saint Sophia encourages new members to consider stewardship when joining our community. The annual cost to operate the Cathedral and fund her many ministries for last year was \$2,430 per steward. We encourage those who can meet this commitment amount, or even exceed it, to do so. However, we equally welcome any stewardship contribution below this level. We welcome ALL with open arms and open hearts.

Cathedral stewards may remit their stewardship via a check to the Cathedral office or via our online system (www.faithdirect.net) where they may structure a stewardship donation according to their preference. Using the online system, funds are withdrawn on a monthly basis either directly from a checking account or billed to your credit card.

I'd like to fulfill my stewardship commitment using the online Faith Direct payment system. The Cathedral's code is **DC408**.

I'd like to fulfill my stewardship commitment by submitting a check to the Cathedral office.
